

# STEP

## Into Safety Excellence

### ABC's STEP Health and Safety Management

**System** provides contractors and suppliers with a **robust, no-cost framework** for measuring safety data and benchmarking with peers in the industry.

The self-assessment tool helps participants identify real opportunities for scalable growth in their health and safety programs to lower their total recordable incident rates.

#### How Long Does It Take?

About 20 minutes to Complete

Your Key Components self-assessment scores **For Contractors** **For Suppliers**
